Attitudes are changed eventually by the building of relationships, by a willingness to be open and vulnerable, by inviting someone who is different across the threshold of one’s life, and to risk enough also to step across theirs.

DID YOU KNOW?
It takes over €1 million each year to run Lough Derg and even more to realise our vision for the future. We believe this vision will help sustain this unique sanctuary for generations to come and ensure that we are able to meet the needs of all who visit the island. Lough Derg depends on the generosity of its pilgrims and supporters. It will take all the colours to achieve “The Rainbow of Hope”.

WHAT COLOUR ARE YOU?

WE NEED YOUR HELP TO FULFIL OUR VISION FOR LOUGH DERG

If 15,000 people donate
€ 20
3000 people donate
€ 50
2000 people donate
€ 100
1000 people donate
€ 250
500 people donate
€ 1000
10 people donate
€ 10,000
AND IF 4 people donate
€ 50,000
Then we can achieve our target of
€1.3 million

Thank you in advance!
I do not ask however for anything extraordinary, but rather that every initiative be marked by a profound interiority.

At the same time, it is good to aim high, and not be content with mediocrity, since we know we can always count on God’s help.
Thank you
